My Dear Sir,

Your communication to me was received some time since and ought to have been answered ere this and is deserving a more particular answer than I shall be able now to give it. — Your letter to the Sch. was rec'd. this morning — I give you a thousand thanks for it — Shall probly. read it before the conv.n. —
But to return to your first letter. — I had commenced my B. Classes previous to the arrival of Judsons questions, and thought it best to continue as I had begun — I think however we had better keep them for the sabbath S. Mr Ed. Sec. I have. — Send on the Evangelist if you please. also Stewarts Com. on H. also Woods Course of Study. I wish you would send me "the extraordinary events from time to time". — The report of my having a call to P. arose from the circumstance that I supplied the 2d. parish a sabbath at the time of my brothers ordination at Kennebunk. —
Our B. Class more prosperous than heretofore. there
